

# QUICKBUY®

Request and review an immediate offer with the QuickBuy® app.

## Qualify

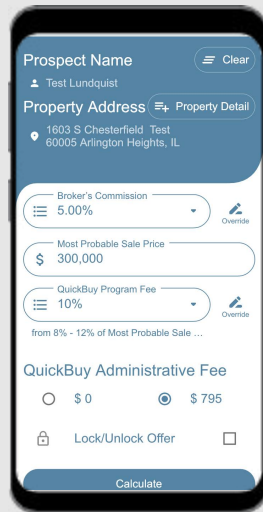

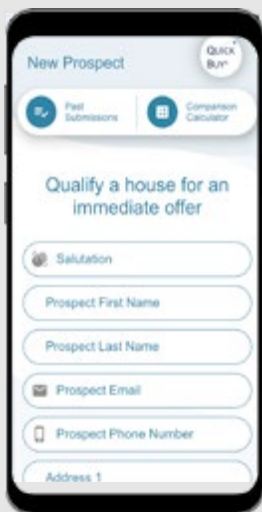

Check qualifications. Submit property data to QuickBuy® before your listing presentation to receive login email.

## Estimate

Optional: input your estimated property value (based on local solds) to calculate offer estimates.

## Educate

Compare solutions and discuss the QuickBuy cost of convenience with the seller. Take photos and complete simple CMA to obtain an OFFICIAL offer for interested sellers.

## Download the App Now

Register with your contact information. App will launch in test mode until you are ready to submit an actual seller's property

Official QuickBuy offers are emailed in the form of an Election Agreement 24-48 hours after CMA and photos are submitted.
