

QuickBuy just got easier!
Update to QuickBuy App 2.0.
Qualify homes, submit property data, and take or upload photos directly from the app whenever your seller is ready for an offer!

Discover Your Seller's Needs

Ask discovery questions to help determine if the convenience and certainty of an immediate offer are important to your seller.

Request an Official QuickBuy Offer

Use the QuickBuy app to qualify the home, submit photos and property information

Present Options

Receive an Offer Letter in 24-48 hours. Present the offer and discuss the best home sale solution for your seller's situation.

Download app **Qualify property** **Input address** **Take/Upload photos** **Add property DNA** **Submit for offer**

Download the App Now
Register with your contact information.

For offers after Jan 17, 2022 -
Submit address, photos and data through the app when ready for an OFFICIAL OFFER. (no CMA or desktop uploads required)

Generate more leads when you market your immediate sale options along with your traditional sales skills!
